I am truly very sorry but I have a conflict on the 12th that would not permit my attendance. I would like to send Tony DeBarros on my behalf. If OK with you Tony's e-mail is debarrosa@ci.newark.nj.us and his address is 1294 McBride Avenue, Little Falls, NJ 07424.

Al: It was good talking to you yesterday and hearing about your hip-miracle.

As I said, I am working with EPA to help facilitate a meeting with municipal representatives from Newark, East Newark, Harrison and Kearny to talk with them about their study (Focused Feasibility Study) to clean up the lower 8 miles of the Passaic River. They are interested in understanding the compatibility of the various options they are proposing with your plans for waterfront development and river use. At the meeting, they will walk you through each option so that you will be better able to make this evaluation. Also, they are also interested in feedback from you on your own plans.

I have reserved a room for the meeting at the North Jersey Transportation Planning Authority in Newarkon July 12 at 9:30am. It will last several hours.

I am glad that you can join us. But in order for you to get in I need your address and e-mail #.

Also, EPA will be sending you a confirmation letter, agenda for this meeting.

Look forward to seeing you there!
